# Accessing the Site

Site URL: [training.tbdiiah.org](https://training.tbdiiah.org)

The screenshot shows the TB-DIAH eLearning Portal homepage. At the top right, there is a "Log in" button. The main header includes the USAID and TB-DIAH logos, with the text "USAID TB-DIAH" and "Morbidity, Death, Impact Assessment and Communications Hub". Below the logos is the title "TB-DIAH eLearning Portal" and a search icon. A dark banner below the header reads "Welcome to the TB-DIAH eLearning Portal". The main content area is divided into five sections:

- New to the Site?**: A "Welcome!" message with instructions for new users to register and create an account. It includes a "create new account" link and a "click here" link for detailed instructions.
- Returning Learners**: A "Welcome Back!" message with instructions for existing users to login. It includes a "Lost Password" link.
- Need Support?**: A section for technical assistance, providing the email address [elearning@tbdiiah.org](mailto:elearning@tbdiiah.org) and asking for the user's name, course name, and a description of the problem.
- Login**: A form with fields for "Username" and "Password", a "Remember username" checkbox, and a "Log in" button.
- Moodle Mobile App**: A section for downloading the Moodle Mobile App, featuring a QR code and a link for directions on how to download and set up the app.

#### Welcome

##### Welcome to TBCI for Frontline Workers

This online course has been developed by the TB Data, Impact Assessment and Communications Hub (TB DIAH) project, funded by the United States Agency for International Development (USAID). The course presents essential information about TB contact investigation (TBCI) needed by frontline healthcare providers, public health staff, and community health workers to enable the implementation of TBCI programs on the ground level.
