Mobile App User Guide

**Use the Moodle App to
download training
sessions to your mobile
device and work offline!**

Get Started

 **moodle**

1

DOWNLOAD THE MOODLE APP

from the Apple App Store or Google Play Store

2

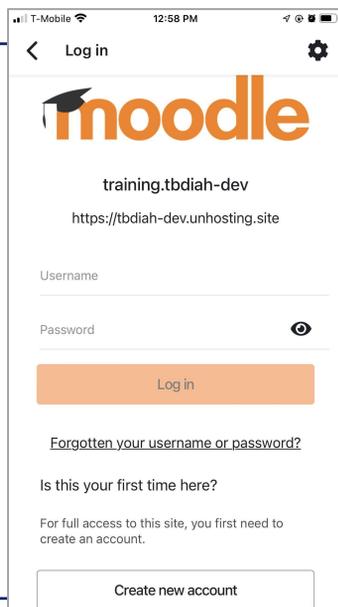

CONNECT SITE TO MOODLE

Type in the site name: <https://tbdiah-dev.unhosting.site>

Or scan the QR code

3

LOGIN OR CREATE ACCOUNT

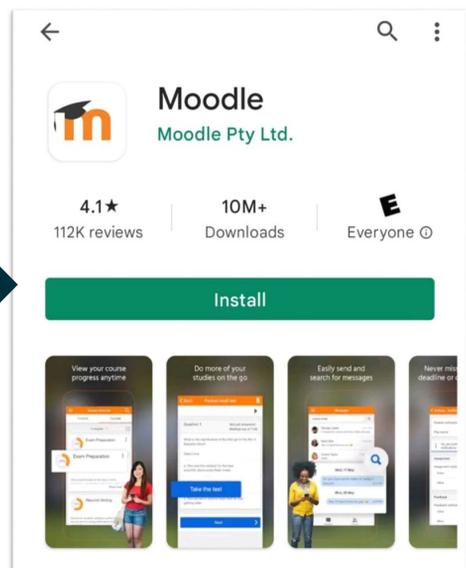

to start learning

**Download the
Moodle App**

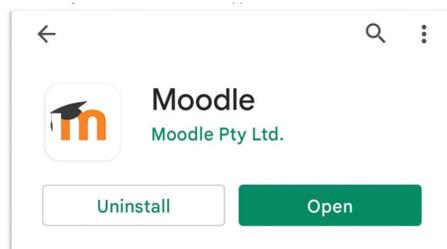

If you have an Android device, click this button to download from the **Google Play Store**

Click the Install button to install the Moodle app.

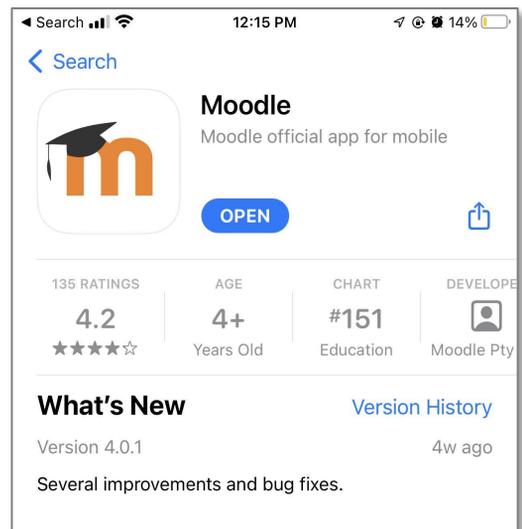

Click open to open the app.

If you have an iPhone,
click this button to
download from the
App Store

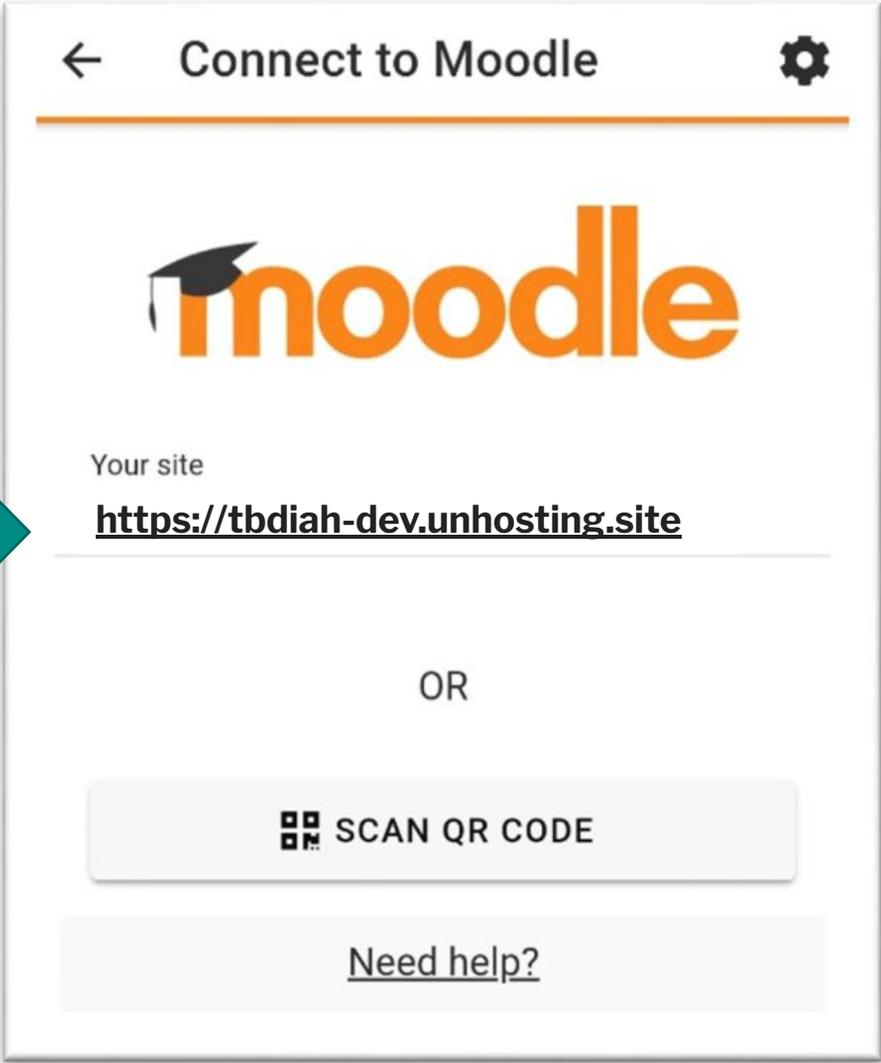

Click the Install
button to install the
Moodle app or
Open button to
launch the app.

**Connect
TB DIAH Training Site
to Moodle**

Type in the URL
<https://tbdiah-dev.unhosting.site>

← Connect to Moodle ⚙️

Your site

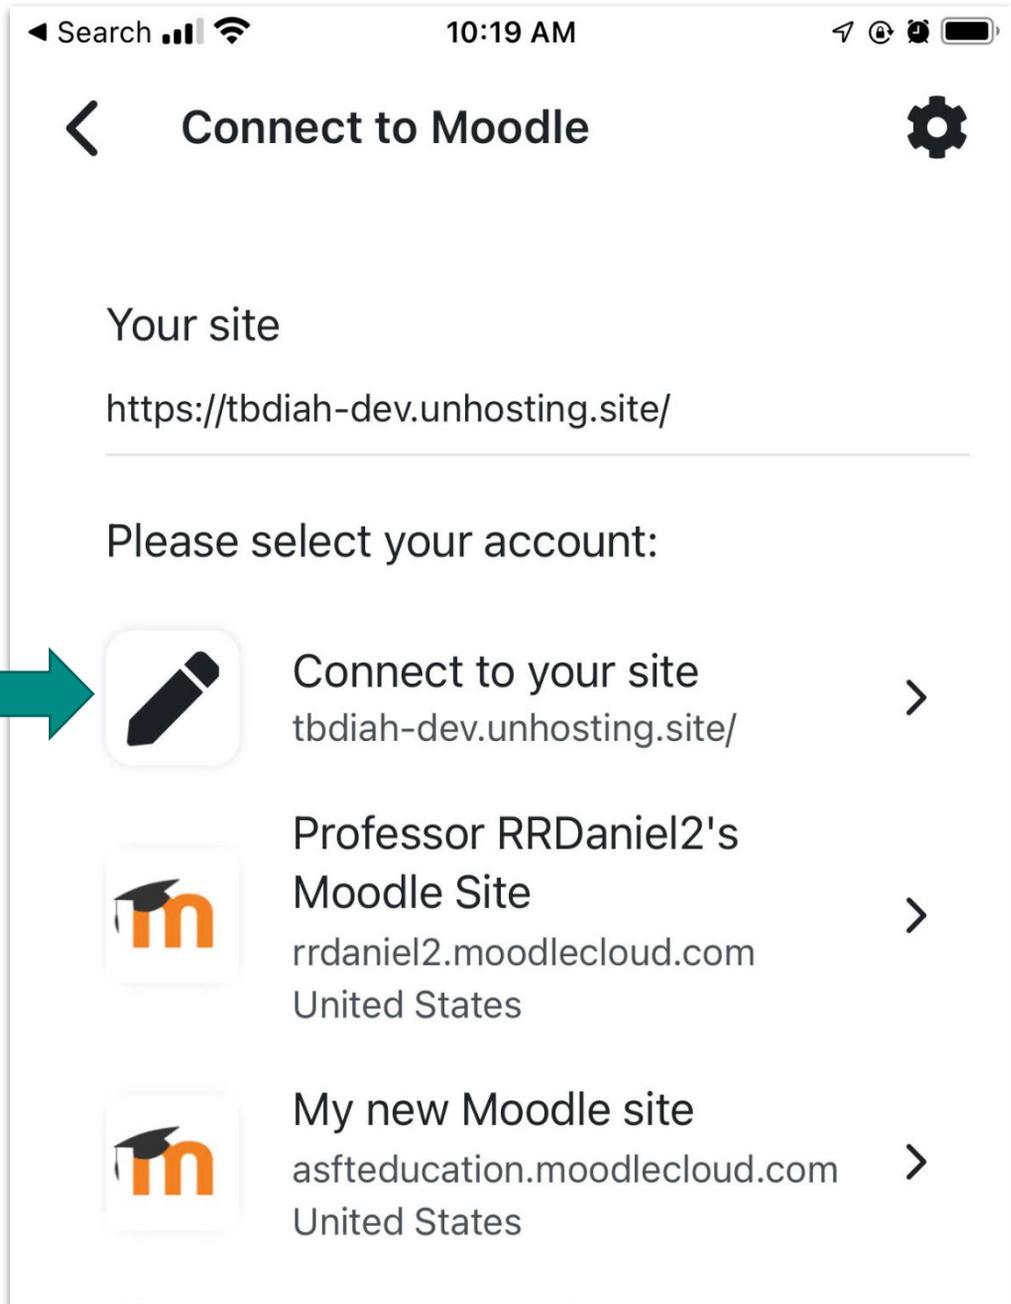

<https://tbdiah-dev.unhosting.site>

OR

📱 SCAN QR CODE

[Need help?](#)

Tap on the name of the site to connect it.

If you do not want to type out the URL, you can scan the QR code

← Connect to Moodle ⚙️

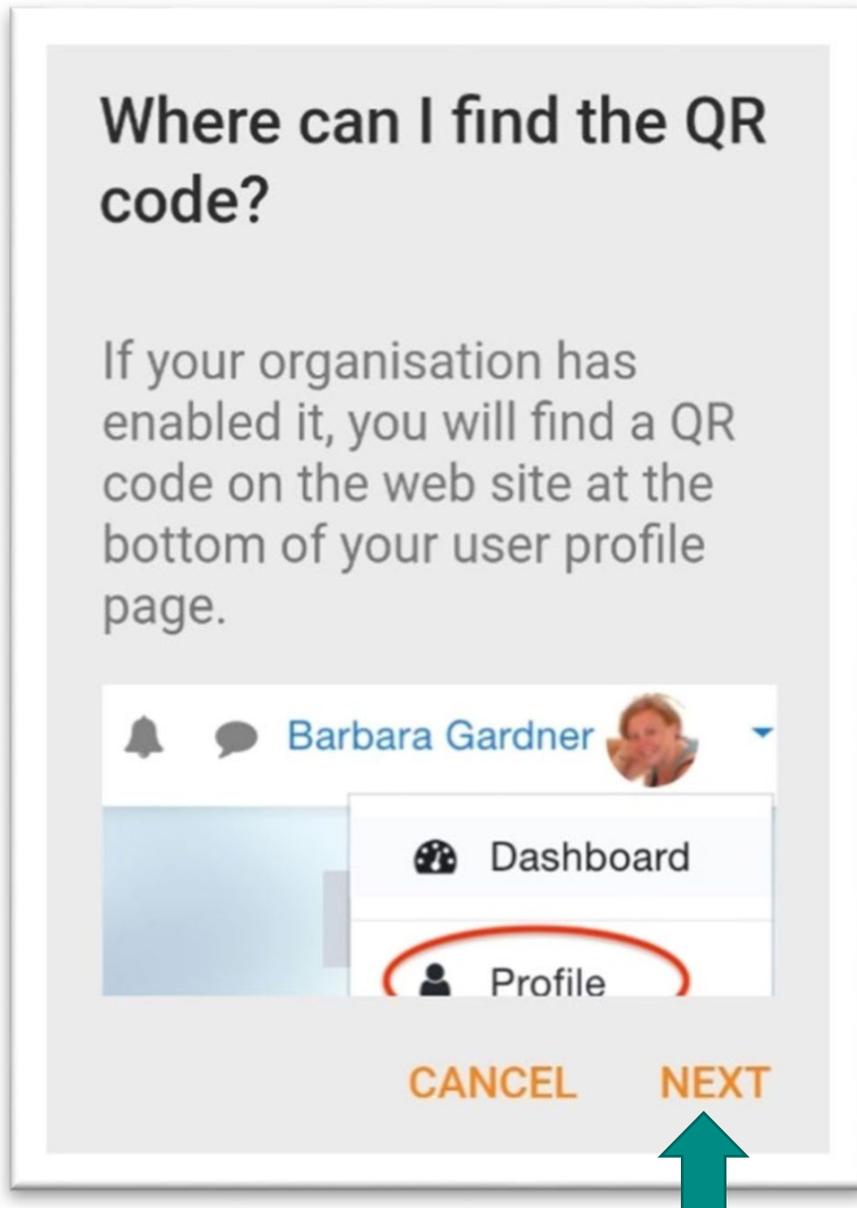

Your site
https://campus.example.edu

OR

 SCAN QR CODE

[Need help?](#)

Tap **Next** to bypass the “Where can I find my QR code?” message

Using the camera on your phone. Point the camera at the QR code below.

Once the camera determines that there is a valid QR code in view the text will be entered into the app and the Login Screen will display

Reminder:

You need to point your camera phone at a computer screen or poster showing this code.

You are then prompted to log in
or to create a new account

You will see this message to verify your email address. Check your inbox for a new message from admin@tbdiah.org

Click the link to verify your email address.

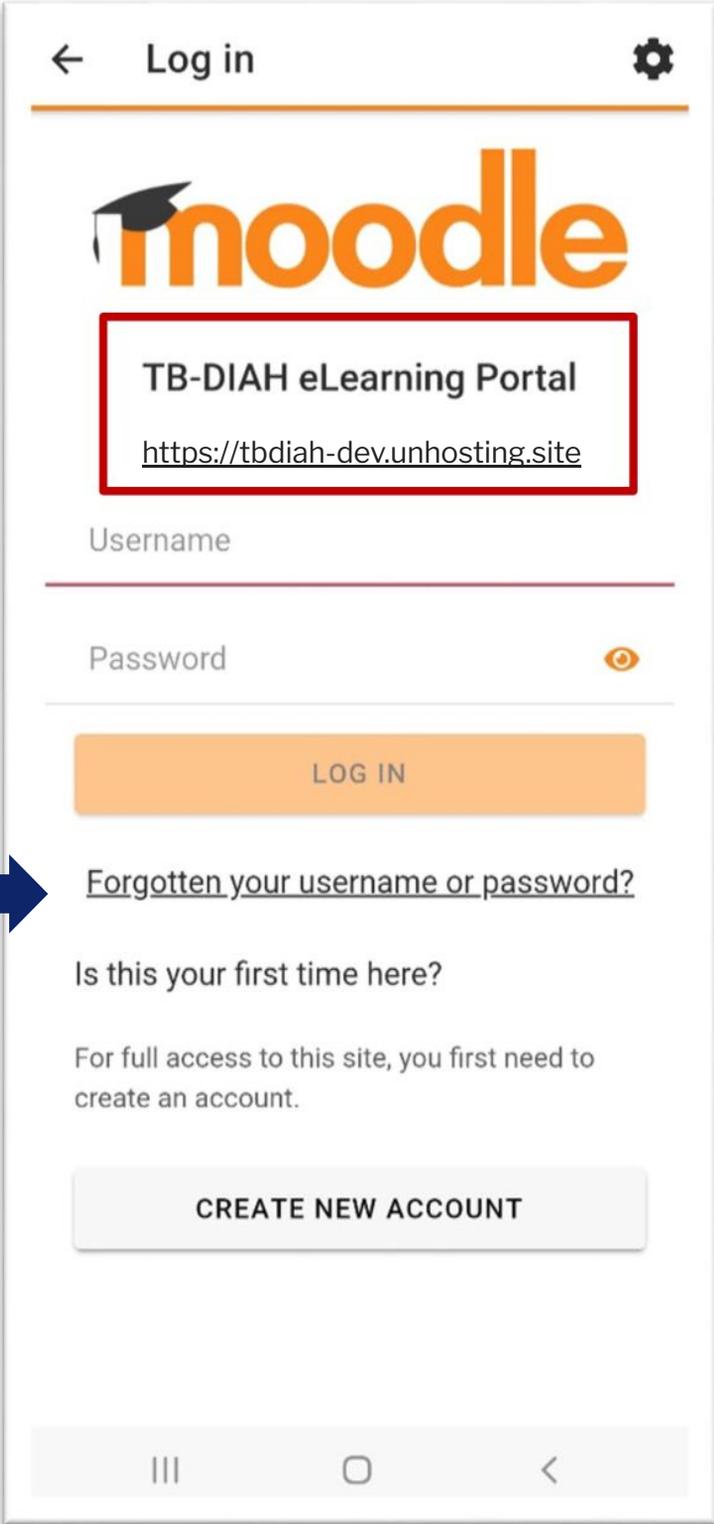

Log in and Enroll

If you have already created an account, enter your username and password and click the **Log in** button.

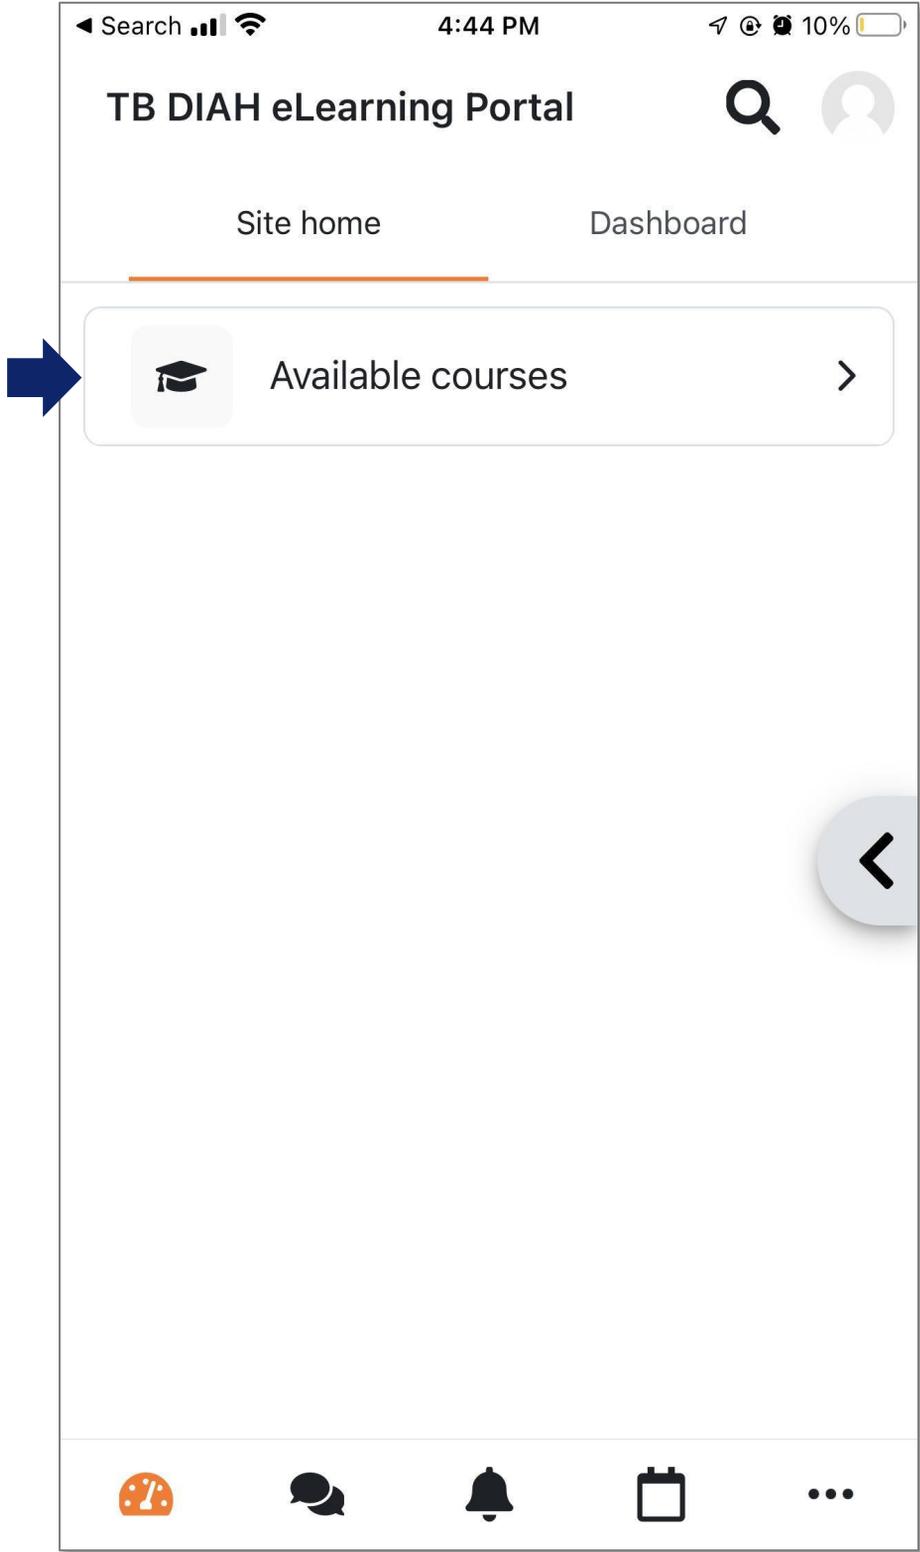

If you have forgotten your username or password, click the **“Forgotten your username or password?”** link.

You will be sent a link to retrieve your username or reset your password.

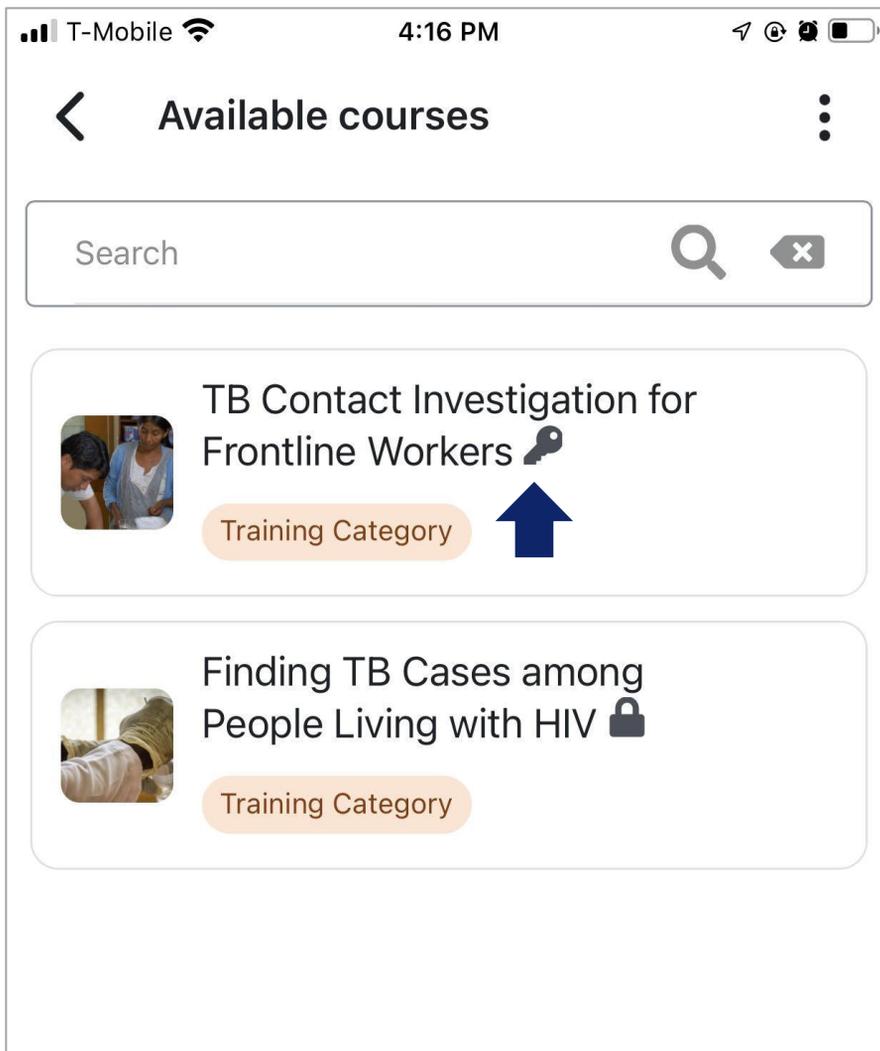

The screenshot shows the Moodle login interface. At the top, there is a back arrow and the text "Log in" next to a gear icon. Below this is the Moodle logo, which consists of a graduation cap icon and the word "moodle" in orange. A red rectangular box highlights the text "TB-DIAH eLearning Portal" and the URL "https://tbdiah-dev.unhosting.site". Below the box are two input fields: "Username" and "Password". The "Password" field has an eye icon to its right. Below the input fields is an orange "LOG IN" button. Underneath the button is a link that reads "Forgotten your username or password?". Below the link is the text "Is this your first time here?" followed by "For full access to this site, you first need to create an account." At the bottom of the form is a grey "CREATE NEW ACCOUNT" button. The bottom of the screen shows standard Android navigation icons: three vertical bars, a circle, and a left-pointing arrow.

Once logged in, you can tap **“Available Courses”**

Select the course you want to take.

Note: For security reasons, you will need to input an enrollment key for each courses.

Tap on the down arrow to reveal the enrollment key. Then click the **Enroll me** button.

The screenshot shows a mobile application interface. At the top, the status bar displays 'T-Mobile', signal strength, Wi-Fi, and the time '4:17 PM'. Below the status bar is a header image showing a healthcare worker in a white polo shirt leaning over to assist a woman in a blue cardigan. A white circular back arrow is overlaid on the top left of the image. Below the image is a white rounded rectangle containing the course title 'TB Contact Investigation for Frontline Workers' and a share icon. Underneath the title is a light orange pill-shaped label with the text 'Training Category'. The section 'Course summary' follows, with the course title repeated in bold. The summary text describes the course's purpose for frontline healthcare providers. Below the summary, the text 'Course Enrollment Key: TBCItest' is displayed. A blue arrow points upwards from the bottom of the screen towards the enrollment key. To the right of the key is a small grey upward-pointing chevron icon. At the very bottom of the screen is a large orange button with the text 'Enrol me'.

T-Mobile 4:17 PM

TB Contact Investigation for Frontline Workers 

Training Category

Course summary

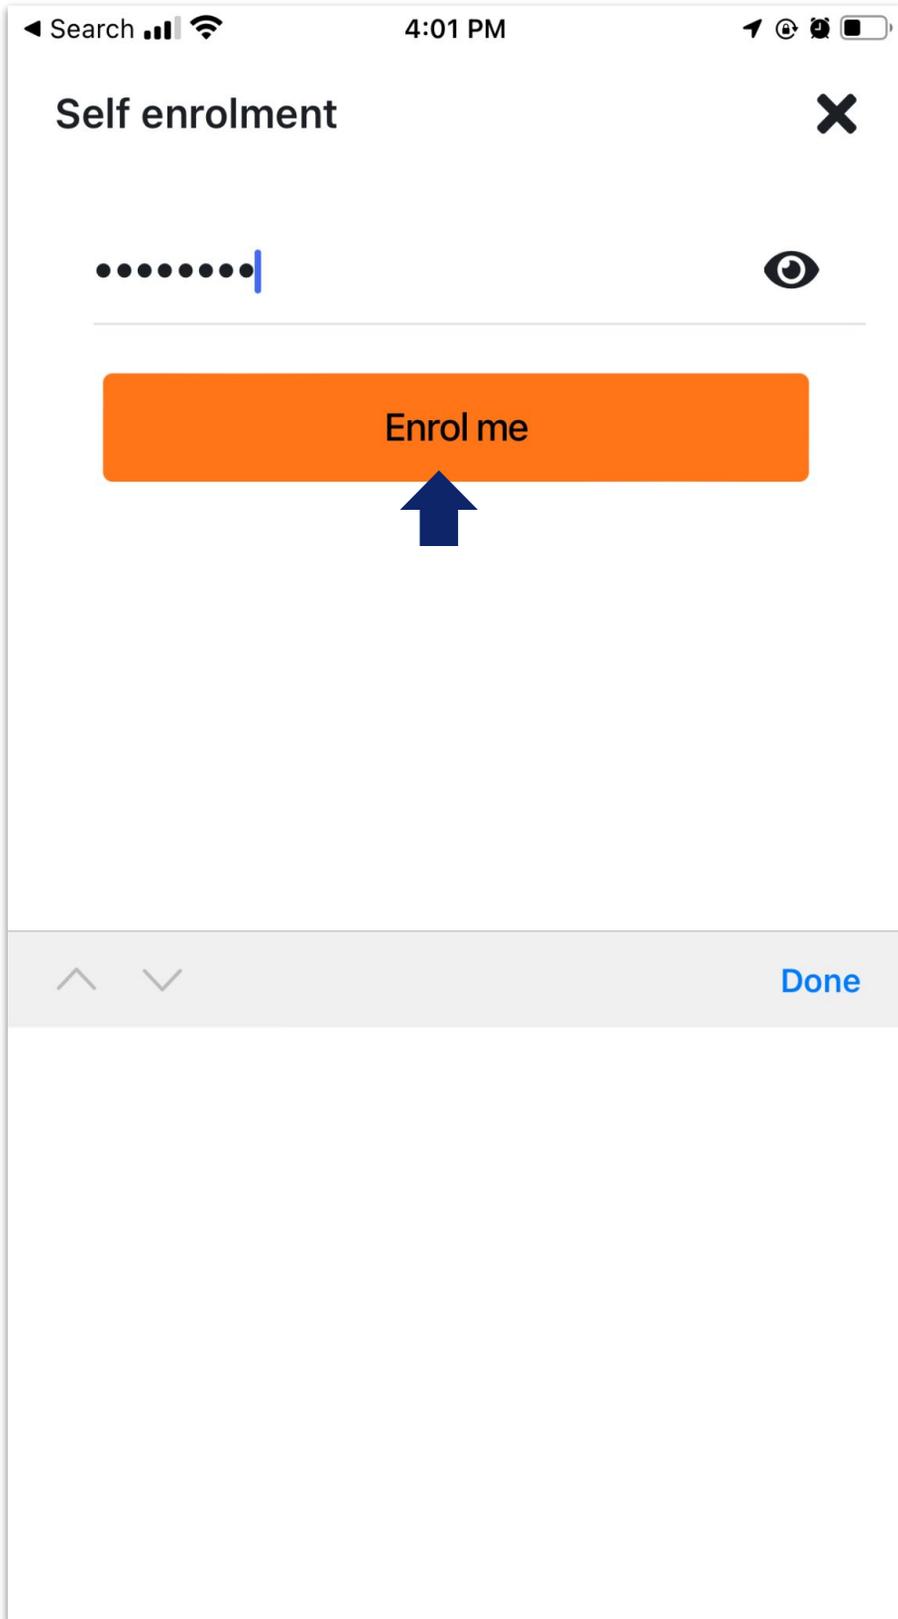

TB Contact Investigation for Frontline Workers
This online course presents essential information about TB contact investigation (TBCI) needed by frontline healthcare providers, public health staff, and community health workers to enable the implementation of TBCI programs on the ground level.

Course Enrollment Key: **TBCItest** 

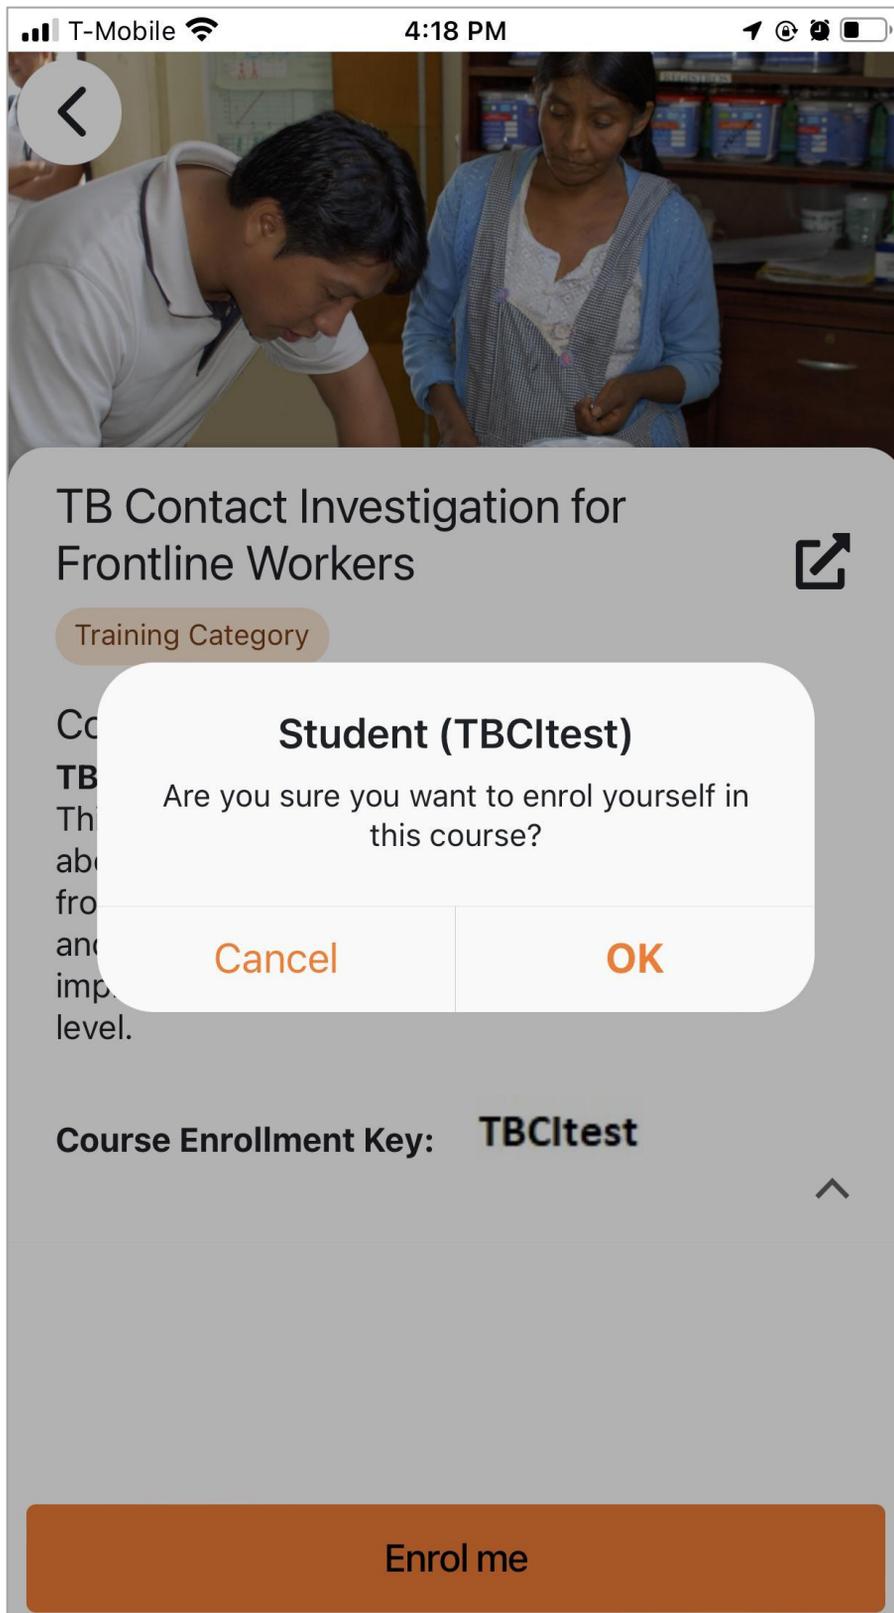

Enrol me

Type in the enrollment key and tap **“Enroll me”**

Once you type in the enrollment key, you will be asked if you are sure you want to enroll yourself in the course. Tap **OK**.

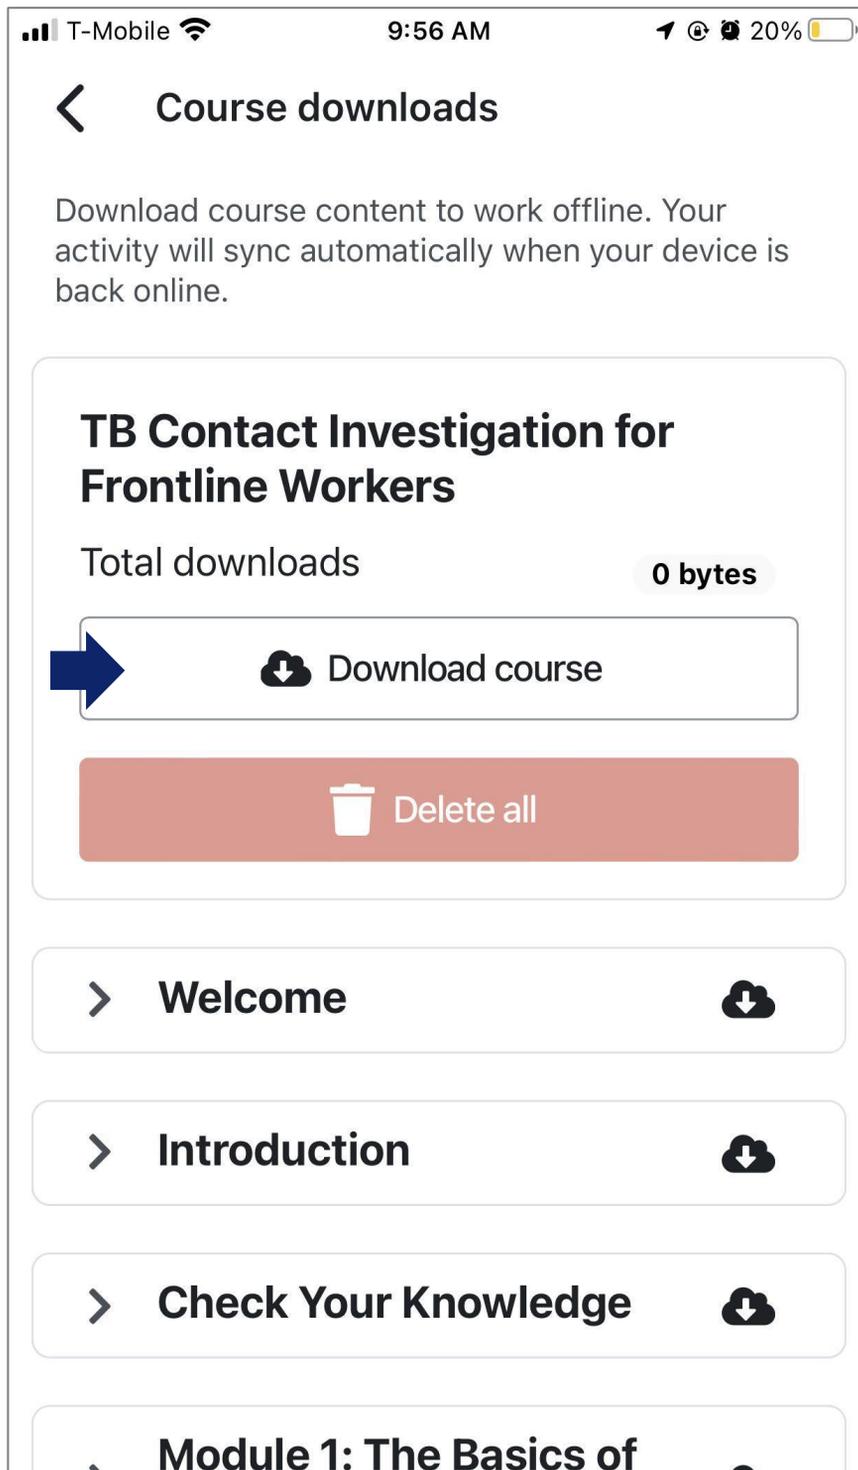

Here you can see the entire course with all the activities.

Click the **download from the cloud icon** to see the course downloads

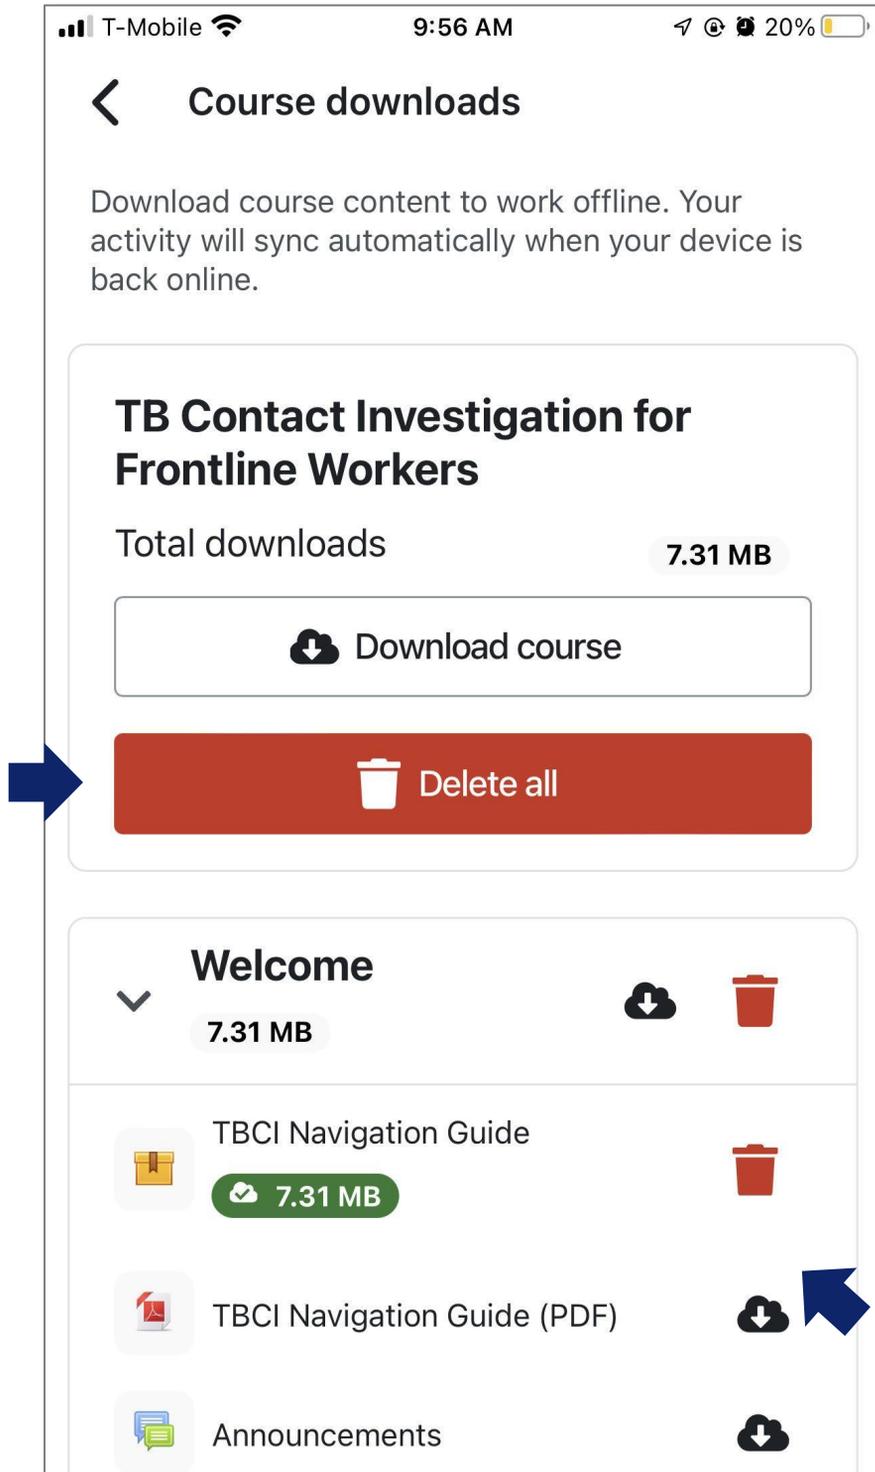

The screenshot shows a mobile application interface. At the top, the status bar displays 'T-Mobile', signal strength, Wi-Fi, the time '11:55 AM', location services, a lock icon, and a battery level of '16%'. Below the status bar is a navigation bar with a back arrow on the left, a large blue right-pointing arrow in the center, a cloud download icon on the right, and an information icon on the far right. The main content area features a course card for 'TB Contact Investigation for Frontline Workers'. The card includes a thumbnail image of two people, the course title, a progress bar that is 7% complete, and two tabs: 'Course' (which is selected) and 'Competencies'. Below the course card is a 'Welcome' section with the following text: 'Welcome to TBCI for Frontline Workers. This online course has been developed by the TB Data, Impact Assessment and Communications Hub (TB DIAH) project, funded by the United States Agency for International Development (USAID). The course presents essential information about TB contact investigation (TBCI) needed by frontline healthcare providers, public health staff, and community health workers to enable the implementation of TBCI programs on the ground level.' At the bottom, there are two buttons: 'TBCI Navigation Guide' with a yellow folder icon, and 'TBCI Navigation Guide (PDF)' with a red PDF icon. A hamburger menu icon is located in the bottom right corner of the PDF button.

On the Course downloads page, you can download the entire course or different parts of the course to work offline.

Warning: Downloading the full course will take considerable time depending on your internet connection.

You can delete any activity in the course from your device if you need to save space.

Warning: Make sure you sync your progress before you delete.

From the course homepage, you can click on an activity you want to start or click the course index icon.

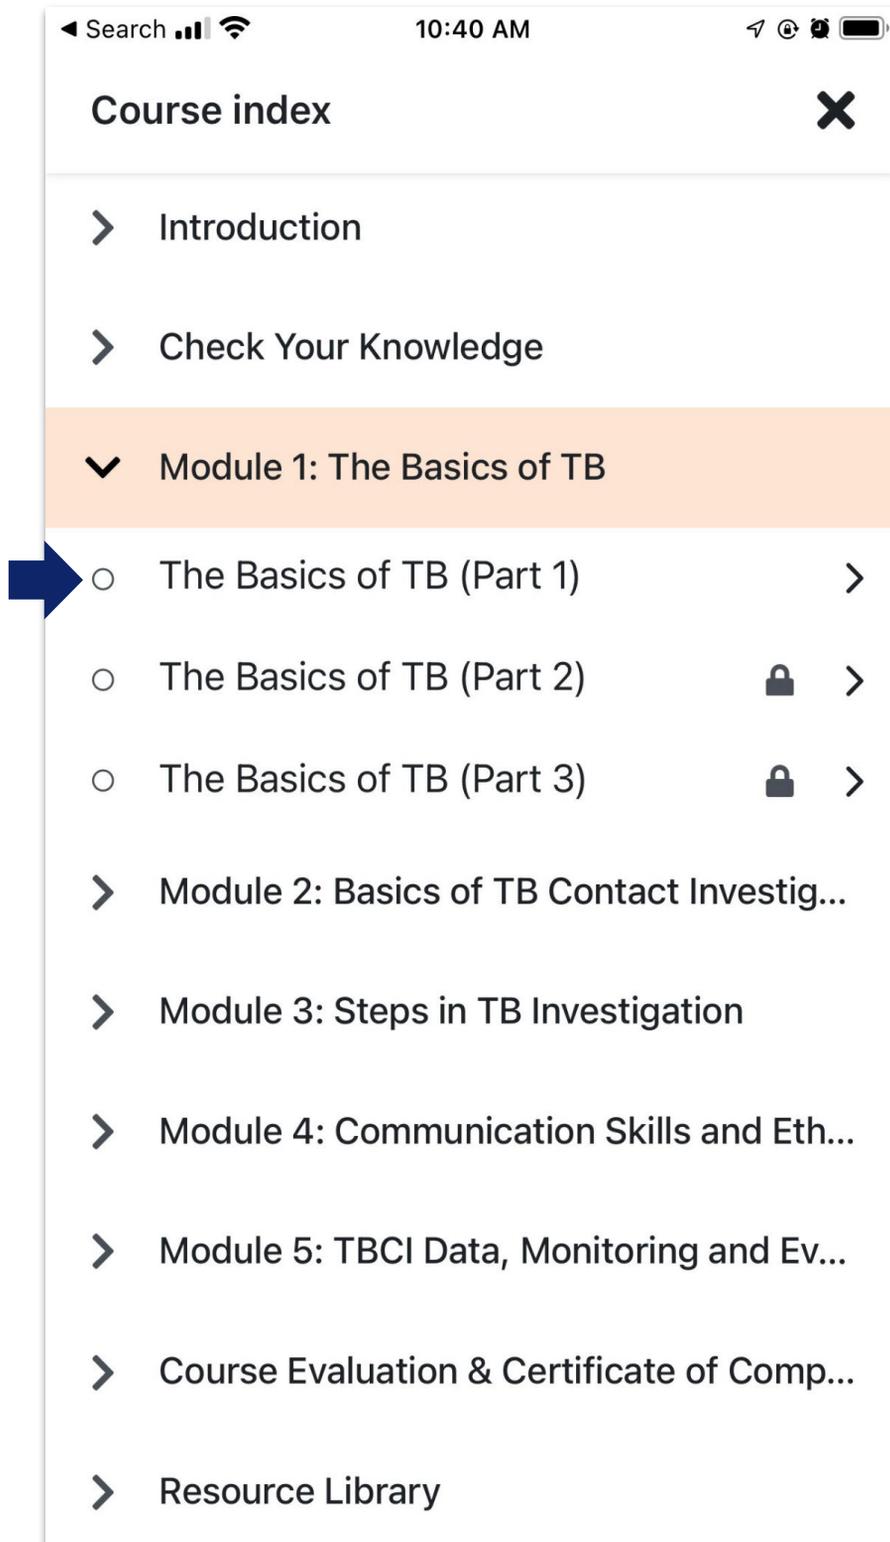

The screenshot shows a mobile application interface. At the top, the status bar displays 'T-Mobile', signal strength, Wi-Fi, the time '11:55 AM', location, and battery level at '16%'. Below the status bar is a navigation bar with a back arrow on the left, a download icon, and an information icon. The main content area features a course card for 'TB Contact Investigation for Frontline Workers'. The card includes a thumbnail image of two people, a progress bar showing '7%' completion, and two tabs: 'Course' (which is selected) and 'Competencies'. Below the course card is a 'Welcome' section with the following text: 'Welcome to TBCI for Frontline Workers. This online course has been developed by the TB Data, Impact Assessment and Communications Hub (TB DIAH) project, funded by the United States Agency for International Development (USAID). The course presents essential information about TB contact investigation (TBCI) needed by frontline healthcare providers, public health staff, and community health workers to enable the implementation of TBCI programs on the ground level.'

Below the welcome text is a list of items:

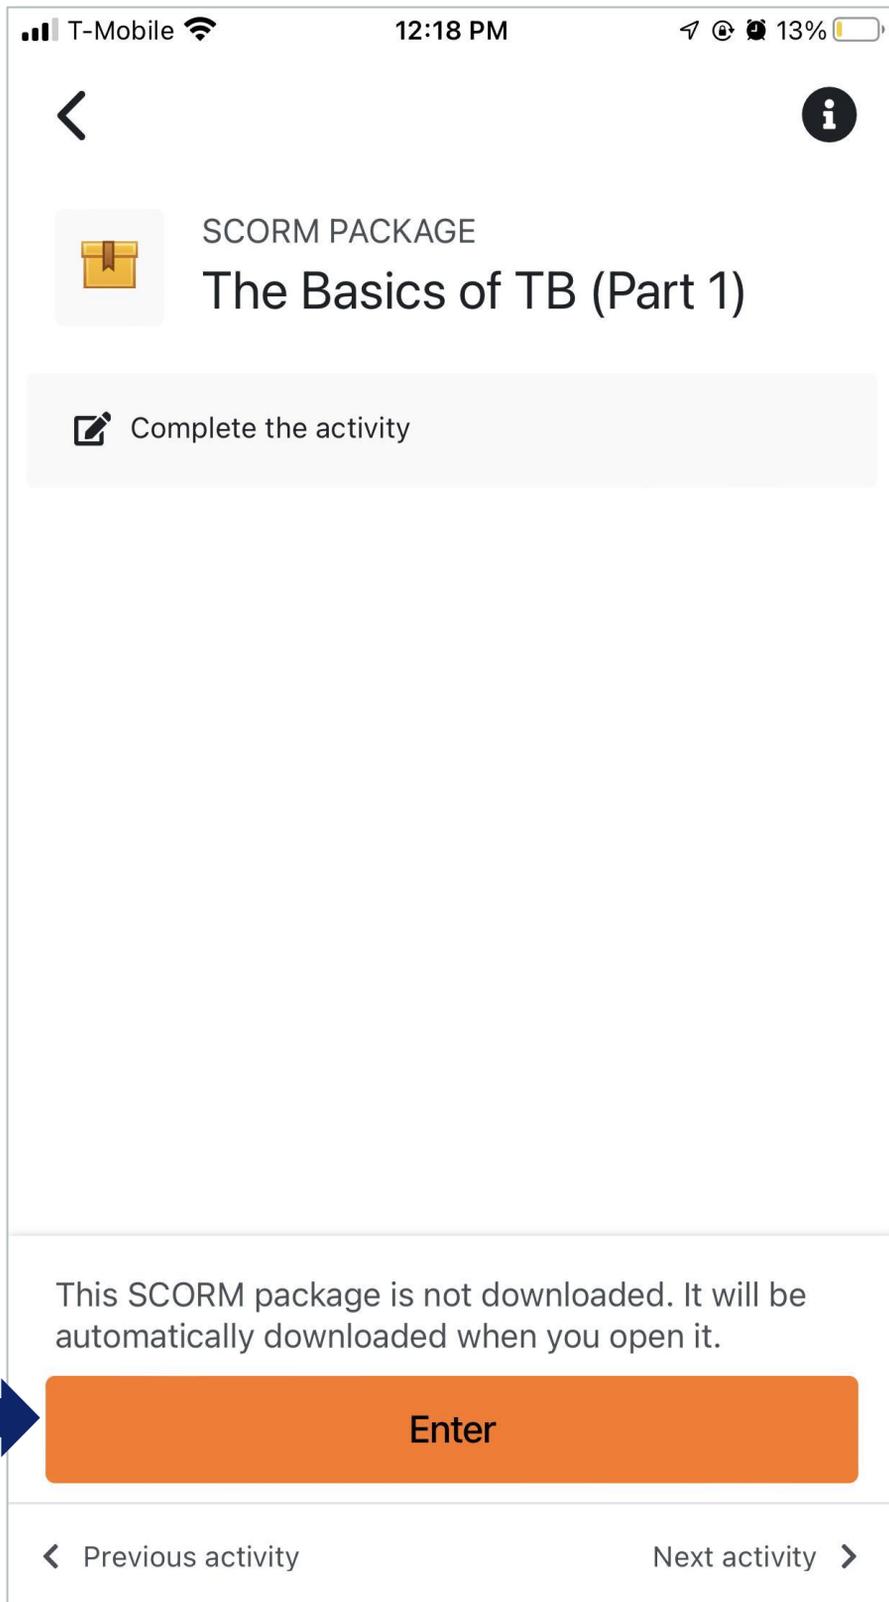

- A card with a yellow folder icon and the text 'TBCI Navigation Guide'. A blue arrow points down from this card to the menu icon on the card below.
- A card with a red PDF icon and the text 'TBCI Navigation Guide (PDF)'. To the right of this card is a circular menu icon with three horizontal lines.

A callout box with a grey background and black text says: 'Tap the menu icon to see the course index'.

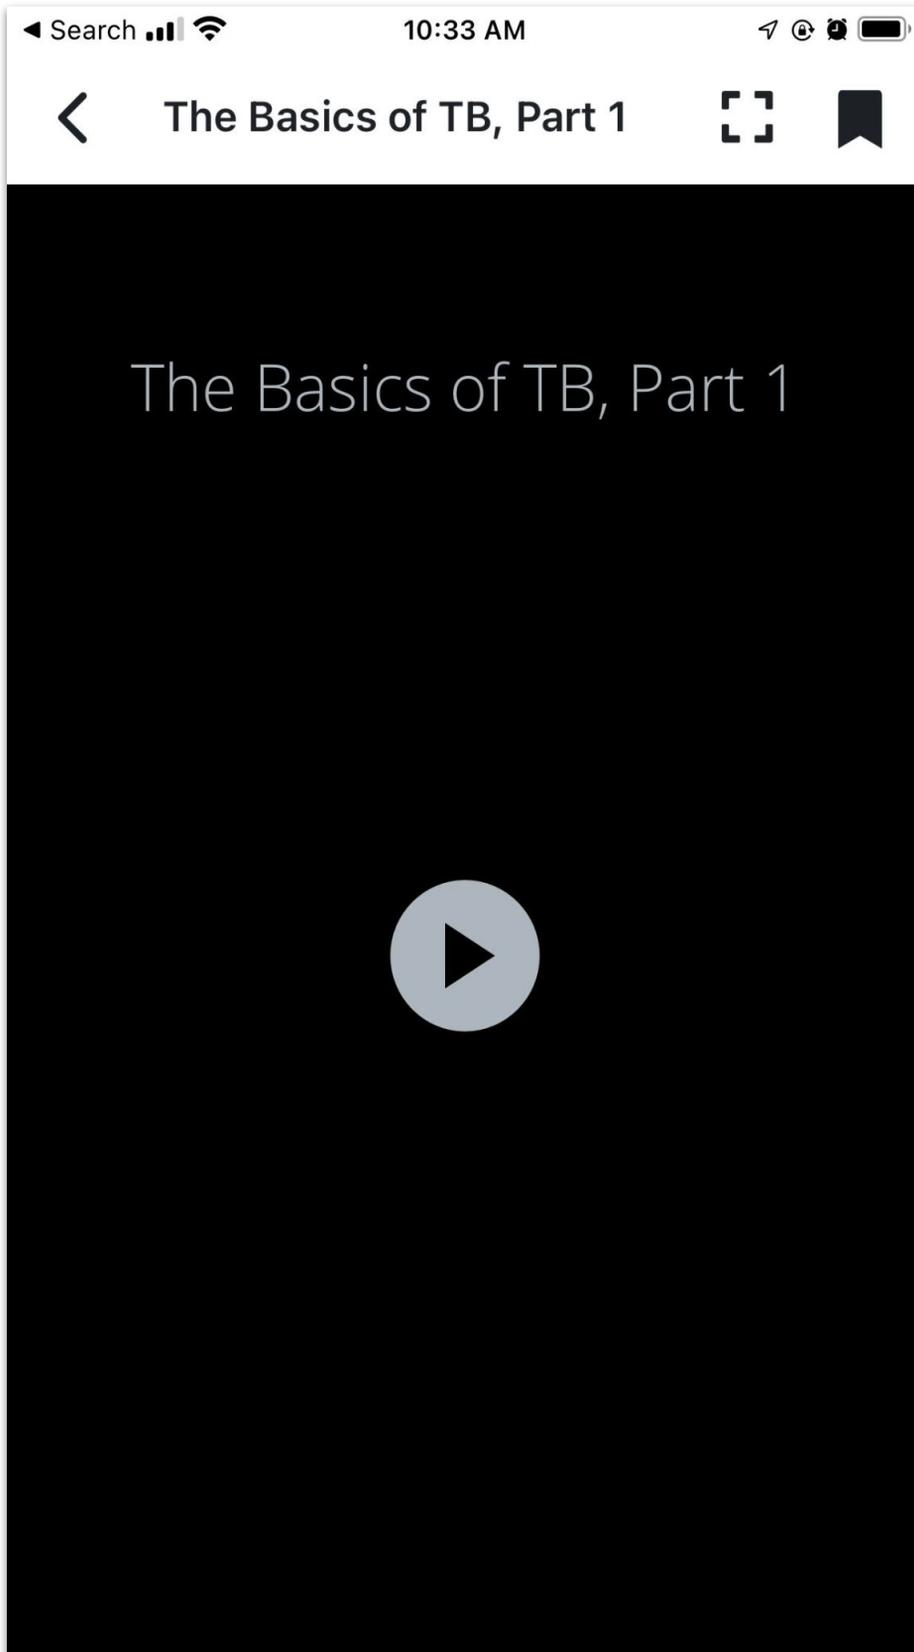

The course index allows you to navigate to different activities in the course.
Tap to see that activity

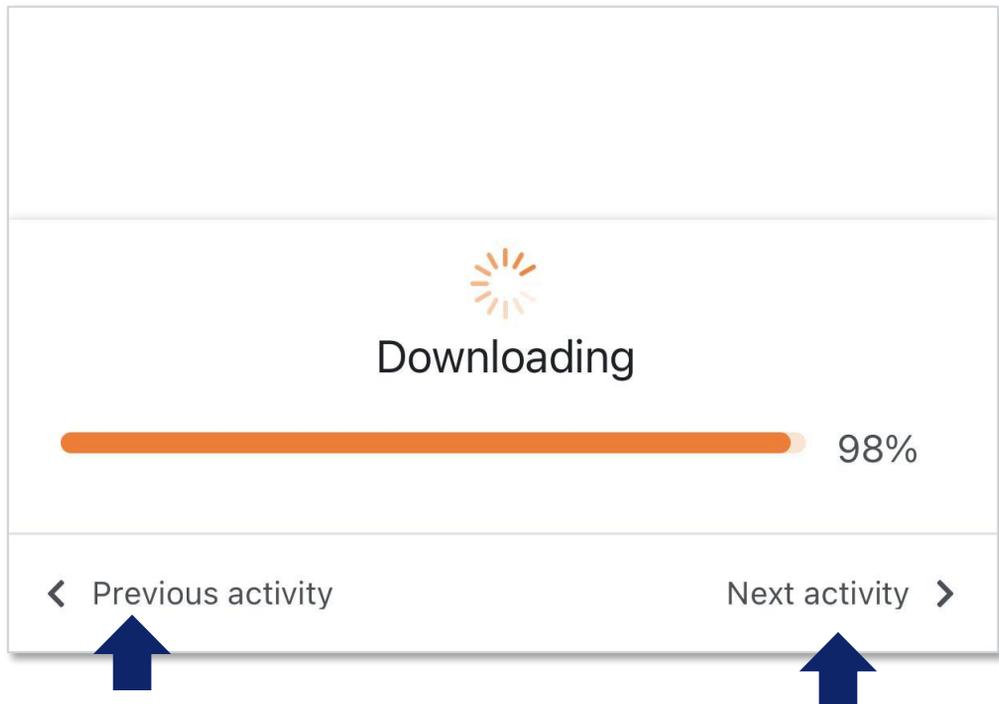

Tap “**Enter**” to launch the activity.

Tap the play button to load the activity.

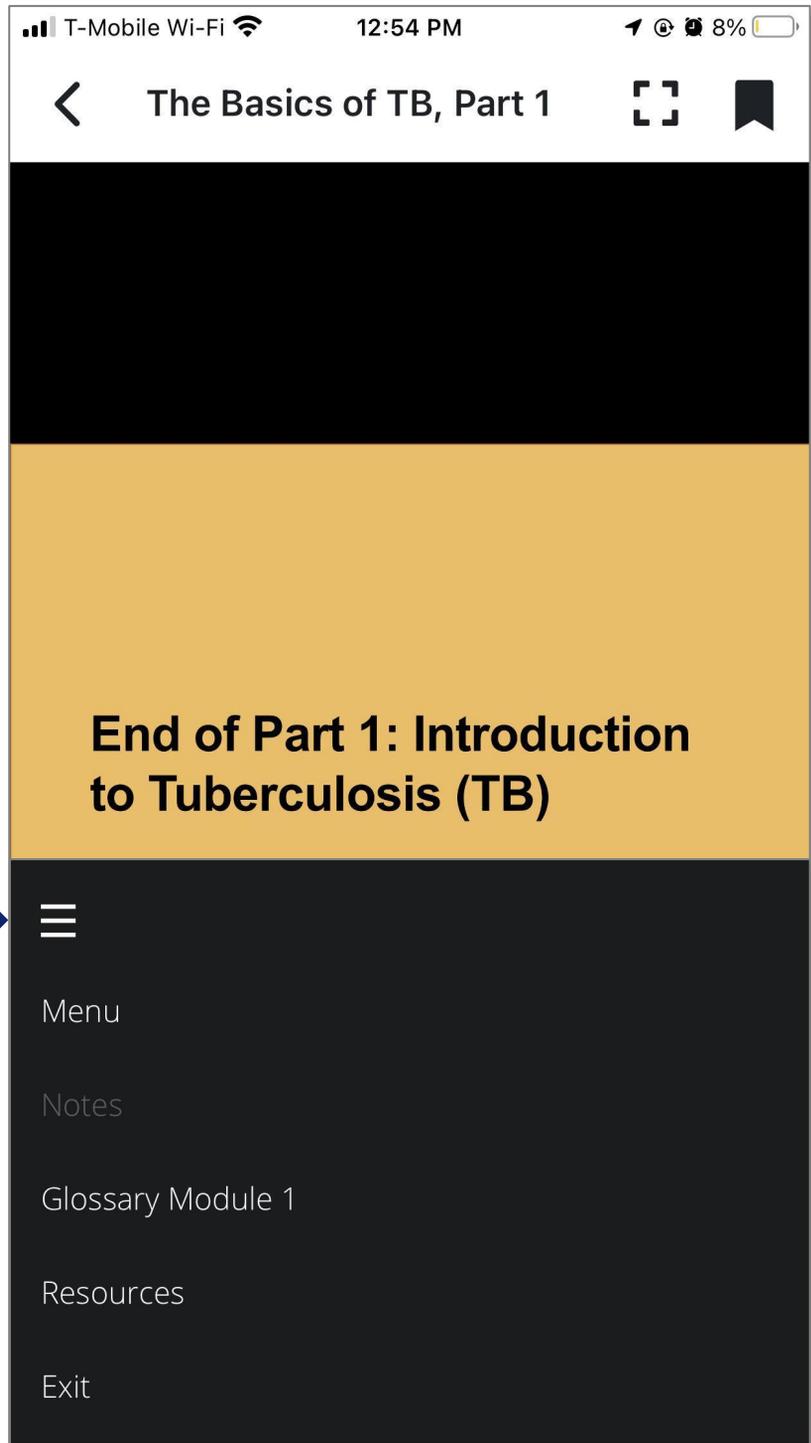

The activity will download to your device.

You can move from **previous activity** or to the **next activity** using the buttons at the bottom of the screen,

The course module will be displayed..
Be sure to turn your audio on.

Click the hamburger menu to see the glossary, notes, resources and to exit the module.
