Create an account on the TB DIAH e-learning site

1. Click on the “Create New Account” button

2. Fill out the web form. Make sure you fill out every field.

   **Username**: The field should use lowercase letters only.

   **Password**: The password must contain at least 8 characters that include: 1 number and 1 lower case letter.

   **Email Address**: Should be an active e-mail that you can currently access. E-mail will be sent to this address from the system.

   **Email (again)**: Enter the e-mail address from the field above again

   **First Name**: Enter your first name

   **Last Name**: Enter your surname

   **Country**: Select from the dropdown list

   **Are you a frontline worker?** Select Yes or No from the dropdown list

   **Language**: Select your preferred languages from the dropdown list.
3. Click Create new account.

4. You will see this message informing you to check your email:

   ![Email Confirmation Message]

5. Click continue.

6. Check your inbox for a confirmation email from TB DIAH Admin. Click on the link or copy+paste the link to confirm your new account.

7. The link will return you to the site. You will see this message that your registration was confirmed.

   ![Registration Confirmation]

8. Click continue.

9. You are now logged into the TB DIAH e-learning site and can enroll in the available courses.

10. Click on a course you want to take. *Note that the courses are available in multiple languages. Click on your preferred language.*
Enroll into a course

1. Once you click on the course you will see this screen.

You need to type in the enrollment key, then click “Enroll me.”

Success!! You are now enrolled in the course and can start learning!
